**Step 1:** We start this walk at Royal Oak Station which is on the Circle and Hammersmith & City lines. Read below to learn more about this walk

walking is 'Bon Camino', which literally translates to 'good way'. We hope you have a good way on this pilgrimage!

## North Paddington Nature Pilgrimage

This project is funded by the Europe Challenge & is a collaboration between Westminster Libraries & the Paddington Development Trust.

Inspired by the Camino de Santiago, where for centuries pilgrims have walked a shared route and collected stamps in Pilgrim's Passports to remind them of their journey, we have developed a pilgrimage around North Paddington. You can collect 13 stamps designed by local children at cultural, ecological, and community-based points of interest in the area, to stamp your very own Pilgrim's Passport, which you can collect from any of the libraries on the route. Once you've collected all the stamps, head to Paddington Library to collect your prize!

The stamps on the Camino de Santiago symbolise your journey, and your personal progression, and people use them to share stories. Once you've finished your pilgrimage, take a moment to look at the stamps you've collected and think about your journey. A common phrase used by pilgrims whilst

## PiP

### Empowering disabled adults

This stamp was created by the Community Classroom - can you spot the minecraft inspiration?

PiP was started in 1984 by local parents with children with learning disabilities who were transitioning to adult services. They wanted support and challenge for their young adult children to become more independent – something that remains at the heart of their mission today. It's their vision that we live in a

world where people with learning disabilities are valued for their contribution, their creativity and their uniqueness.
