Step 5: Keep going along the flat tarmac path

Step 6: Can you spot a large rock with a Rabbit engraving on your right? 🐰

Step 7: Keep walking until you get to this next rock, then turn left.

Step 8: Follow the path through the trees 🌳

Step 9: When you reach the next rock, bear left.

Step 10: On your left you will notice a Fox engraved on the rock. 🦊

Step 11: As you carry on walking you will notice a bench on your left, stop and have a little rest if you need to or simply sit and tune into nature.

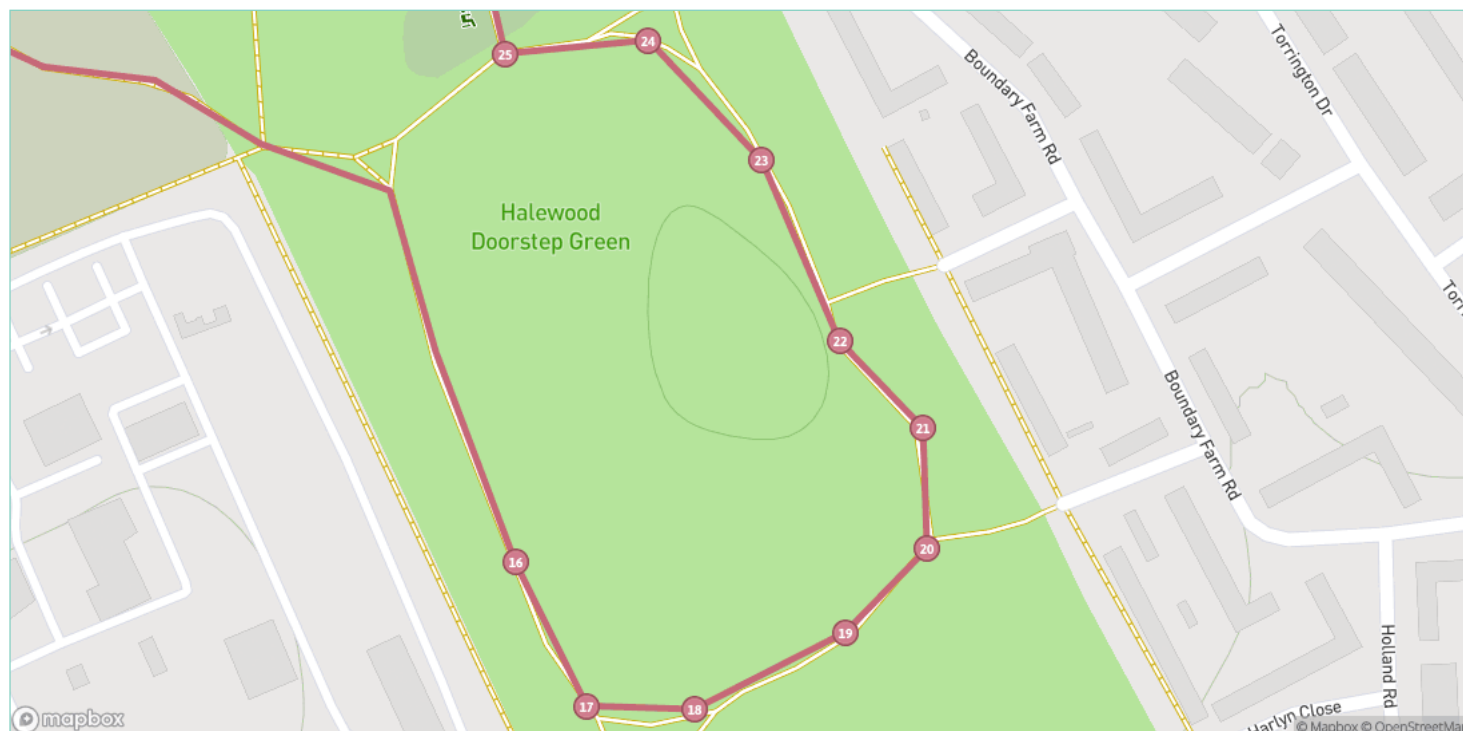

Step 12: Carry on walking towards the open field up ahead.

Step 13: Once you get to the field, take the second right, it's the path next to the field.

Step 14: On your left you will see a goal, with holes to aim the ball through. ⚽

Step 15: Now carry on walking down the path, it's inbetween the field and the trees! 🌳

Step 16: Keep walking along the path.

Step 17: Once you get to the end here, use the path that turns left.

Step 18: Keep going this way.

Step 19: On your right you will see another goal with holes to try and get the ball through. ⚽

Step 20: Keep walking on the path around the outskirts of the field.

Step 21: On your right you will see another bench.

Step 22: At this point keep walking straight

Step 23: You will see another bench on your right, once you past the bench use the path to the left.

Step 24: Continue ahead towards the kids playground.

Step 25: It's a great spot for the little ones. Continue walking past the playground.

Step 26: This path now leads you to the end, and back at the starting point.

Step 27: You made it back to the start, well done. We've got lots more walks in the app. Come back next time to find your next walk.
